

MEMORANDUM

SUBJECT: Responsiveness Summary for Tank Removal
Gulfco Marine Maintenance Superfund Site

DATE: February 15, 2011

FROM: M. Gary Miller, P.E. *2/15/11*
Arkansas/Texas Section (6SF-RA)

TO: Carlos Sanchez, Chief *2/15/11*
Arkansas/Texas Section (6SF-RA)

No public comments were received during the public comment period for the tank removal at the Gulfco Marine Maintenance Superfund Site (Site) located in Freeport, Brazoria County, Texas.

The public comment period for the tank removal at the Site began on January 10, 2011, and ended on February 8, 2011. Notices regarding the removal, comment period, and availability of the administrative record were published on January 6, 2011, in the Coastal Bend Harold newspaper, and on January 8, 2011, in the Rockport Pilot newspaper. In addition, notices were mailed to the site mailing list on January 5, 2011. The Administrative Record is available locally at the Freeport Branch Library located at 410 Brazosport Blvd. in Freeport, Texas.

On November 15, 2010, the Potentially Responsible Parties for the Site began a time-critical removal of storage tanks from the Site under the oversight of the Environmental Protection Agency. All removal work has been completed except for several roll-off containers remaining on-site. These roll-off containers hold waste materials from the removal and are scheduled for disposal in March 2011 at an off-site disposal facility.
